

Mike Leroch
Director of Program Management, Mount Pleasant, Pa.

Mike Leroch is director of program management for Intervala's manufacturing operation in Mount Pleasant, Pa., where he leads the site's program management function and staff. He has more than 20 years of experience identifying and solving technical issues for customers in a variety of technology-driven industries.

Mike joined Intervala in 2003 as a senior electronics technician and worked as a systems/design engineer before moving into program management for the company in 2007. He was promoted to lead program manager in 2017 and to customer development manager in 2020. Mike previously was employed by II-VI Incorporated (now Coherent Corp.) as a manufacturing test engineer.

Mike attended The Pennsylvania State University, graduating with a bachelor's degree in electrical engineering.
