Aubrey Moore Contracts Manager

Aubrey Moore is contracts manager for Intervala, where she is responsible for overseeing the preparation of commercial and DoD contracts in accordance with company and customer requirements, confidentiality obligations, and legal regulations including those required for ITAR compliance.

Aubrey joined Intervala in 2023 from WNS Denali, a market leader in procurement and supply chain advisory, where she served as a contracts associate supporting Meta, Inc. She previously was employed as procurement project manager with Bechtel Plant Machinery, Inc., a prime contractor for the United States Naval Nuclear Propulsion Program.

Aubrey holds a master's degree in legal studies from Pennsylvania Western University and bachelor's degrees in finance and French from Grove City College.
