

## **Michael Lancaster** Director of Information Technology

Michael Lancaster joined Intervala in 2020 and serves as the company's director of information technology (IT). In this role, Mike is responsible for the management, strategy and execution of the company's IT infrastructure and systems, including all business systems, application development, business intelligence and cyber security.

Mike is a business-focused IT leader with more than 20 years of experience in implementing strategic, technology-driven organizational evolution, growth and value for internal and external stakeholders. Before joining Intervala, he was director of IT for Arsenal Resources and previously spent more than 13 years in progressively responsible IT positions for EQT Corporation.

He earned an MBA from Duquesne University and a bachelor's degree in computer science from Indiana University of Pennsylvania.
